DEATH SUMMONS COMES TO SENATOR OLLIE JAMES.

Senator Ollie M. James, of Kentucky, died at Johns Hopkins Hospital, in Baltimore, Md., Wednesday, of an acute affection of the kidneys. Mrs. James and the Senator's brother, E. H. James, of Louisville, were with him when the end came at 6:45 o'clock.

The Senator rallied recently when at the hospital for about three months. Physicians at first believed he had a good chance to regain his health and an operation was performed. Later his condition became more serious and transfusion of blood was made on several occasions.

The Senator rallied recently when informed of his renomination to the Senate and for a time held his own, but later his condition again became grave and he steadily grew weaker. At about two o'clock Wednesday morning his attendants saw that the end was near and Mrs. James and the Senator's brother were summoned to the bedside.

Funeral services for Senator James will be held at Marion some time today, and immediately thereafter the Congressional party will leave on a special train for Louisville and depart from there on the early Chesapeake & Ohio regular train Saturday morning for Washington. The party is due to arrive at Washington at 7:15 o'clock Sunday morning.

Both houses of Congress adjourned immediately Wednesday upon the announcement of the death of Senator James.

Committees were appointed to accompany the body to Kentucky and to attend the funeral at Senator James' old home near Marion, Ky.

A brief tribute was paid to the dead Senator by his colleagues and resolutions of regret were adopted. President Wilson sent a letter to Mrs. James, saying the death of the Senator was a great personal loss.

AND NOW IT BEHOOVES THE DOVES TO BEWARE.

Special Game and Fish Warden Bush Bishop, of Paris, and County Game Warden Douglas Thomas, Sr., have received copies of a letter from Frankfort calling their attention to the opening of the dove shooting season in the State. The open season on doves in Kentucky begins on September 1 and runs until Oct. 15.

As the opening day this year falls on Sunday the hunters must wait until Monday, September 2, to start the hunting season. And they must not forget to have their hunting licenses with them all the time. The bag limit is fifteen doves a day to each hunter. Reports received here indicate that the supply of doves is plentiful in the county. As this is also the open season on squirrels, July 1 to December 15, the hunter will have an opportunity for getting a mixed lot of game for his table.

FORMER MILLERSBURG GIRL DROWNED NEAR ASHLAND

While bathing in the Little Sandy River near the falls, about three miles from Ashland, where she was a member of a picnic party, Miss Elizabeth Vaught, of Los Angeles, Calif., formerly of Millersburg, was drowned, when she was carried beyond her depth. Her uncle, Mr. C. H. Leaman, division freight agent of the C. & O., at Ashland, was drowned in trying to save her. There was no witness to the unfortunate accident.

Miss Vaught was seventeen years old. She was a daughter of Rev. J. O. A. Vaught, who was in charge of the congregation of the Millersburg Methodist church for several years, and was a sister of Mr. Steve Vaught, of Winchester. She had been spending the summer in Ashland with her aunts, the Misses Uhlan. The bodies were recovered after a long search and taken to Ashland on a special train. Mrs. Leaman, wife of the drowned man, and the Misses Uhlan, the girl's aunts, who were also members of the picnic party, were not present when the accident occurred.

Miss Vaught is survived by her mother, Mrs. J. O. A. Vaught, and two sisters, Mrs. Dorsey Ray, formerly of Paris, now of Los Angeles, Calif., and Mrs. W. Collins, of Danville, and one brother, Mr. Steve Vaught, former newspaper man, of Winchester.

BOYS OF COMMUNITY GARDEN TO HAVE FIELD DAY.

Through the long days of early spring and the hotter days of the summer twenty-three Paris boys, picked for their efficiency, or for possibilities, as gardeners, have labored faithfully in the Community War Gardens in this city. The work has been carried on under the supervision of Mrs. Harriet Minaker, Visiting Nurse for the Bourbon County Health and Welfare League, and has resulted in raising a large per cent. of garden products of an excellent quality. From sales of this produce the League has benefited financially in a considerable sum.

Now that the season is drawing to a close, and the boys will soon be trudging back to school and books, it is proposed to have a field day for them, when they may enjoy themselves in sports dear to the boyish heart. The event has been scheduled for Wednesday, Sept. 3, the weather permitting. The following program has been arranged: 1—Seventy-five yard dash; 2—Potato race; 3—Three-legged race; 4—Watermelon race; 5—Sack race. The boys will also be given a picnic dinner, besides other things calculated to make them spend an enjoyable day. The events will take place on the Nippert lot, at the end of Stoner avenue, near the Paris Ice Manufacturing Co.'s plant.

FUEL ADMINISTRATION WANTS SUNDAY JOYRIDING STOPPED.

The Fuel Administration has called upon the public in States east of the Mississippi River to cease the using of all classes of automobiles, with a few named exceptions, motorcycles and motor boats on Sundays until further notice as gasoline conservation measure. Only voluntary compliance with the letter and spirit of the request will prevent the issuance of a mandatory order prohibiting the use of gasoline on Sundays. It was declared by the Fuel Administration. Automobiles for hire are included in the curtailment program.

Motor vehicles to which the restrictions do not apply were announced as:

Tractors and motor trucks employed in actual transportation of freight.

Vehicles of physicians used in performance of professional duties.

Ambulances, fire apparatus, police patrol wagons, undertakers' wagons and conveyances used for funerals.

Railway equipment using gasoline.

Repair outfits employed by telephone and public service companies.

Motor vehicles on errands of necessity in rural communities where transportation by steam or electricity is not available.

The action was taken by the Fuel Administration, it was stated, to meet a threatened shortage of gasoline for shipment overseas created by increased domestic operations in France.

STOLEN AUTO RECOVERED

A Buick touring car alleged to have been stolen from Mr. Wheeler, president of the Covington Patriotic League, was recovered in Paris by Detectives Miley and Higgins, of Covington. Russell Rose, of Covington, was arrested in Carlisle by the detectives, charged with stealing the car.

Rose came to Carlisle in the car on a visit to relatives. He brought the car to Paris and placed it in a local garage. The machine was located here, and recovered by the officers, who restored it to the owner. Rose claims that he did not take the car with criminal intent, but that another boy named Bush had persuaded him to take it for a joy ride. He was taken back to Covington for trial. Rose is twenty-three years old, and had no registration card with him.

SENATE PASSES MANPOWER BILL BY UNANIMOUS VOTE.

The manpower bill, bringing within the army draft all men from 18 to 45 years of age, was passed Tuesday afternoon by the Senate without a modified work or fight clause.

The Senate was recorded unanimously for the bill. Senator Gore, of Oklahoma, who cast the only negative vote on the roll call, withdrew it and was excused from voting.

All efforts to change the age limits or to direct separate classification of youths under 21 failed and the measure now goes to conference between the House and Senate with no difference for serious controversy except the work or fight provision.

In conference the differences in the drafts of the bill as passed by the Senate and enacted Saturday by the House by a vote of 336 to 2 are expected to be compromised speedily, and the bill in its final form transmitted to President Wilson for his signature late this week. Preparations being made by Provost General Marshal Crowder to carry out the provisions of the measure are expected to insure the registration of all men within the ages of 18 and 21 and 31 and 45 with a week or 10 days after the President attaches his signature.

Having been pronounced "physically disqualified" by the army medical examiners at Camp Zachary Taylor, three Bourbon county colored men, Walter Mack, Charles Berry and Russell Allen returned to Paris, Tuesday. The three men left Paris last Saturday with the twenty-three draftees from the county. The final examination at the Camp resulted in their being sent home.

THE NEWS has received a postcard from Jack Turney, formerly of Paris, written from Buffalo, N. Y., stating that he and many others were there for a time. They were enroute to Hoboken, N. J., from Ft. Benj. Harrison, Ind., where they had been stationed since being transferred from Camp Zachary Taylor. Jack was under the impression that their transfer to an Eastern port meant a trip soon on overseas duty.

Miss Martha Darnaby, of Winchester, former community nurse for Clark county, who went to England with Barrow's Unit, is temporarily nursing in another hospital. In a letter to friends in Winchester, she states that she is nursing a Paris, Ky., boy, who seems very pleased to have a Kentucky nurse. His name was not given in the letter. Miss Alpha Nash is in the same hospital with Miss Darnaby.

Mrs. Jos. W. Connell, of East Paris, received a letter Wednesday from her brother, Mr. William J. Gorey, of Paris, who is a member of the 21st Engineers at Ft. Benj. Harrison. Mr. Gorey stated that his company and three others were being prepared for transfer to an Eastern camp. From the talk he had heard Gorey judged that they were to be sent to Siberia for service with the American-Japanese engineers in railroad work. He said that Wallace Hibler and Thos. Elder, of Paris, were members of his company.

A prominent colored man who went to the L. & N. passenger station with the contingent of colored men that left Paris recently for Camp Taylor, tells the following which he says happened shortly before the train pulled out:

"When the men were seated in the coach ready to leave the station, with the women on the platform crying, one of the men leaned out the window, and said to one of the weeping women: 'Now, honey, you hush up! Don't you cry any more, I'm going to Germany to get the Kaiser's skull and bring it back to you for you to make you a soup gourd out of it!'"

Mrs. F. S. Elder, of Paris, received a telegram Wednesday morning from her son, Private Eugene Elder, at Leon Springs, Tex., stating that he had received his commission in the army. The telegram read: "San Antonio, Tex., Aug. 27.

BOOZE HANDLERS ARRESTED

Five Paris colored men, Frank Mussnion, Morris Hutsell, Waller Johnson, Andrew Love and Willie Clark, were caught in a raid made on an illegal booze joint operating at the Fleming Fair. The men were taken in charge by Sheriff Frazier Hart, of Fleming county, and taken to the Flemingsburg jail. It was alleged that they had been retailing booze at forty cents per drink, and finding plenty of trade for the stuff from the thirty ones.

The cases against the men were heard before Judge Fulton, at Flemingsburg, who fined Love \$100 and gave him fifty days in jail, the fine to be worked out at hard labor if not paid. The cases against the other four were continued.

Twenty-one young white men left Lexington, Wednesday morning, for Camp Zachary Taylor, where they are now in the army service. They were placed in charge of Mr. Wayne Cottingham, formerly of Paris, who was appointed Captain. Mr. Cottingham recently left the service of the Lexington Leader, on which he was a "star" reporter, in order to volunteer for service in the army.

A letter to Mr. Wm. Lyons, who resides near Paris on the Clintonville pike from his son, Private John Lyons states that he is now in France. Lyons stated that he is about two hundred miles from the front, and that the country is beautiful around their camp. He said that the American people are certainly doing a good work for the soldiers, as they are well fed, clothed and well taken care of.

Lyons, who is now in Co. B. of the 155th Infantry, enlisted here and was a member of the Co. B., of the old Second Kentucky regiment, which was stationed in Paris guarding railroad property in the outbreak of the war.
